SOFT SEATING

HAMMER

MODULAR SOLID SOFA SYSTEM

The strict cubical geometry makes HAMMER ideal for waiting hall and formal lounge applications. Cubical element recalling the shape of the "brick", HAMMER features two different width dimensions and misaligned depth.

La marcata forma geometrica rende HAMMER ideale per usi in sale d'attesa ed aree formali. I suoi elementi cubici ne ricordano la forma del "mattone". HAMMER è disponibile con due dimensioni di larghezza seduta e profondità sfalsate.

La forma estrictamente geometrica de HAMMER hace que su uso sea ideal para salas de espera y áreas formales. Sus elementos de forma cúbica recuerdan a forma del "ladrillo", HAMMER está disponible en dos dimensiones de ancho y en profundidad no alineada.

PALLET

LAYING ON A PLATFORM

A modular sofa system inspired by the traditional loading pallet, giving rise to the distinctive base detail. Wooden basement reminding a solid platform symbolizing a PALLET on top of which bricks are setting down. Platform comes in multi-layered veneer or alternatively in Metal.

Sistema di sedute modulari ispirato dal tradizionale pallet di carico che evidenzia i dettagli di unicità del basamento. Il basamento di legno richiama la robustezza di una piattaforma tipica del PALLET sul quale siedono gli elementi a mattone. Linearità e feeling del legno per arredare spazi sofisticati.

Un sistema de sofà modular inspirado en el tradicional pallet de carga, dando lugar a los detalles peculiares de su base. La base de madera recuerda la solidez de una plataforma típica de un pallet sobre el que se colocan los ladrillos. Líneas rectas y sensación de madera para amueblar espacios sofisticados.

MAT_1

PURE EXECUTIVE

41

Clean and elegant, the series has been designed with the ideals of simplicity and function into one. MAT_1 is an expression of timeless elevated by its architectural lines and curved armrests. An executive appearance adding new perspectives to the classic design sofas of the 60's

Elegante e dalle linee pulite, la serie è stata disegnata combinando semplicità e funzionalità. MAT_1 è un'espressione senza tempo che si distingue nelle sue linee architettoniche e nelle curve dei braccioli. Uno seduta direzionale nella rivisitazione delle classiche sedute degli anni '60.

Elegante y con líneas limpias, la serie ha sido diseñada uniendo sencillez y funcionalidad al mismo tiempo. MAT_1 es una expresión sin tiempo marcada por sus líneas arquitectónicas y sus brazos curvados. Un diseño ejecutivo que revisita las clásicas formas de los años '60.

All designed with elegant lines and a refined expression, MAT_1 features different sofas. A club variant of sofas and chair is also available to better fit compact spaces and areas. Crafted with precision, MAT_1 features powder coated legs, wood and steel construction and cold foam filling.

Completamente ispirato da linee eleganti e raffinatezza, MAT_1 offre differenti sedute. La variante studio di divani e poltrone è adatta invece per gli spazi più compatti. Confezionato con precisione, MAT_1 è costruito in legno e metallo, con base verniciata ed imbottiture in schiume.

Inspirado por líneas elegantes y finura, MAT_1 ofrece diferentes sofás. La variante estudio de sofás y sillones se ofrece también para los espacios mas compactos. Confeccionado con precisión, MAT_1 cuenta con base pintada epoxy, construcción de madera y metal, acolchado de espumas.

A high back sofa range is also available to create acoustic and visual shelter for the most modern workplaces and offices.

La versión respaldo alto completa la oferta de soluciones acústicas y de privacidad en los mas modernos lugares de trabajo.

La versione con schienale alto completa in aggiunta le esigenze di insonorizzazione e privacy dei più moderni ambienti di lavoro.

DUNE

A SECTIONAL SOUL

DUNE seating system offers a variety of configurations, sizes and material options. It's designed to create informal spaces that promote and enhance creativity. A flexible modular design that can be used to create spaces that are unique to organizations and individuals.

Il sistema di sedute DUNE offre un'ampia scelta di configurazioni, dimensioni e materiali. E' progettato per arredare spazi informali dallo spirito sempre più creativo. Un disegno modulare di flessibilità che può essere utilizzato per creare spazi unici in ambienti corporativi e individuali.

El sistema de sofás DUNE ofrece una amplia gama de configuraciones, dimensiones y materiales. Es construido para espacios siempre más inspiradores e informales. El diseño modular y flexible de DUNE permite crear espacios únicos para las empresas y las personas.

DUNE was designed to create spaces where people feel an emotional connection. Multiple shapes, forms, patterns and textures are used to promote variation over uniformity. A wide variety of material options are available, encouraging creativity and self-expression.

DUNE è stato disegnato per creare spazi dove le persone provano una connessione emotiva. L'uso di forme multiple, di tessuti e trame differenti eleva il concetto di diversità sull'uniformità. L'ampia gamma di finiture disponibili stimolano l'uso della creatività e della massima espressione personale.

DUNE ha sido diseñado para crear espacios donde las personas sienten una conexión emocional. El uso de múltiples formas, tejidos y texturas fomenta la diversidad por encima de la uniformidad. La amplia gama de opciones de acabados disponibles estimula la creatividad y la expresión personal.

DUNE is comprised of three key seating elements: single, double and triple. All of these elements can be linked and securely together easily. Single and double side backrests offer flexible and modern design can be used to create spaces that are unique to organizations and the people who work there.

DUNE è composto da tre elementi di seduta chiave: uno, due e tre posti. Tutti questi elementi si possono combinare ed unire in forma molto semplice e sicura. Gli schienali individuali e doppi garantiscono un disegno flessibile e moderno adatto a creare spazi unici dove la creatività unisce le persone che lavorano insieme.

DUNE se compone de tres elementos claves de asiento: individual, doble y triple. Todos estos elementos se pueden combinar y unir de forma muy sencilla y segura. Los respaldos individuales y dobles ofrecen un diseño flexible y moderno para crear espacios únicos donde la creatividad prospere en el trabajo.

SS008
