

# SS | 007

System of elegant low back sofas very much appreciated for the warm welcome it offers guests in waiting areas and also for informal meetings. The collection is a guarantee of elegance with its chrome details and nice comfort thanks to the particular cushioning which is also used for armrests.

Sofas, modular elements, armchairs and benches with complementary coffee tables. This line has been designed to offer a wraparound feeling. The wide selection of finishing and colours, leather included, can have the product placed in any setting with sobriety.

## TECHNICAL FEATURES

Type	Sofa system of modular and individual elements.
Back Frame	Traditional construction made of reinforced double-panelled fir-wood rubber-coated with layers of variable polyurethane densities.
Seat Frame	Reinforced multilayer poplar wood equipped with interlaced high resistance elastic belts of 80mm.
Padding	Padding for seat and backrest made of polyurethane foams with differentiated densities covered with acrylic fibre layers.
Lining	Polyester microfiber bonded onto a polyamide velveteen backing.
Back cushions	Made of polyurethane foam and acrylic fibre layers. Quilted by centred buttons or with linear design.
Armrests	Designed falling-inside shape.
Base	Steel base and feet in square section 25x25 or 30x30mm epoxy powder coating with floor protective black PVC glides.
Upholstery	Fabric or leather upholstery, with or without sewn stitching on back cushion only, both removable by zippers or Velcro fastening.

## ENVIRONMENTAL PERFORMANCE
