

SS | 012

System of sofas with a strong embracing identity. Armchairs, sofas in different sizes designed to offer as an executive seating range for high quality receptions, lounge areas and private offices. Its style is emphasized by the all-around tubular aluminium frame and the elegant and stylish aluminium legs. The balanced proportions are assuring a comfortable and long lasting sitting.

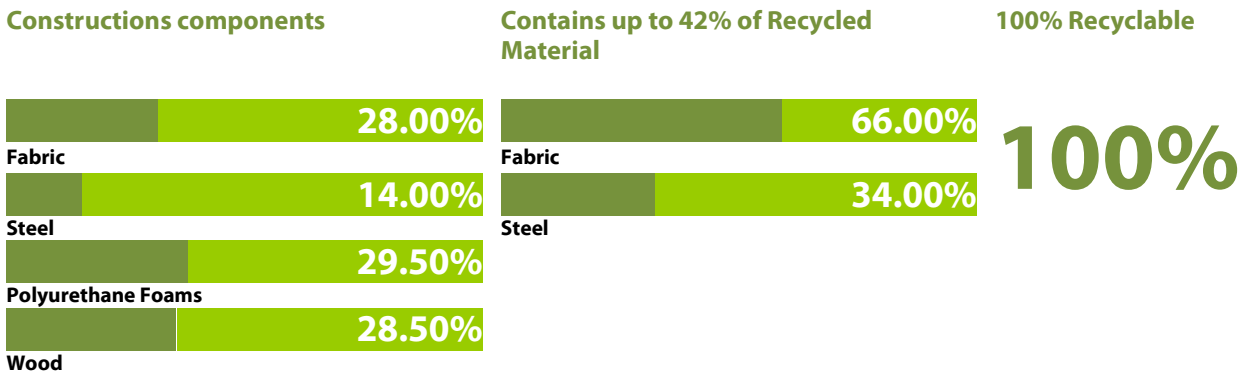

The polished chromed details of the frame embellish the aesthetic of the range. The wide selection of finishing and colours, leather included, can have the product placed in any setting with sobriety. Although its generous dimensions, the system can be used equally in any small or big area due to its compacted cubical construction shape.
