

SS | 016

Range of armchair and sofas with a distinctive “boxed” design. Simple, elegant and inviting, the system can be placed in corporate or hospitality environments to create sumptuous dining, lounge, reception or breakout areas. The family includes sofas and armchair which share the same simple proportions and deep level comfort thanks to the rear falling seat design.

The all-in-one construction applied to seat and back gives the user a sense of space from adjoining chairs, without compromising on comfort. A levelled back version is accompanied by a higher back version. Cylindrical legs are supporting the all structure. The wide selection of finishing and colours, leather included, can have the product placed in any setting with sobriety.

TECHNICAL FEATURES

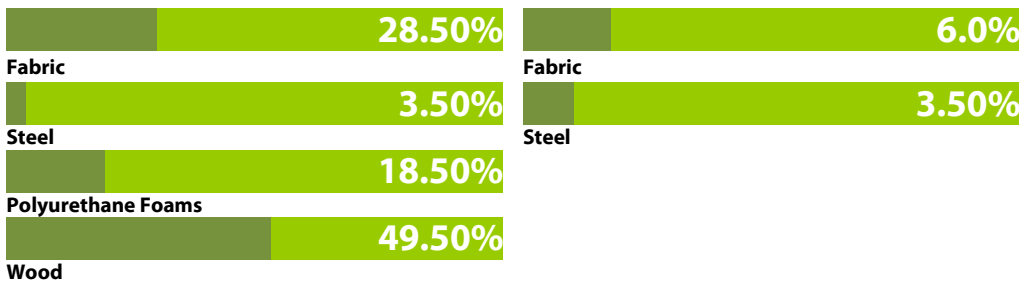

Type	Sofa system of individual elements.
Back Frame	Traditional construction made of reinforced double-panelled fir-wood rubber-coated with layers of variable polyurethane densities.
Seat Frame	Reinforced multilayer poplar wood equipped with interlaced high resistance elastic belts of 80mm.
Padding	Padding for seat and backrest made of polyurethane foams covered with acrylic fibre layers.
Lining	Polyester microfiber bonded onto a polyamide velveteen backing.
Seat cushions	All-in-one seat with rear falling construction made of high density polyurethane foam of 40kg/m3 and acrylic fibre layer.
Back	All-in-one covered of polyurethane foam and acrylic fibre layers.. Available in 2 heights.
Armrests	Boxed designed.
Base	Supported by 4 Cylindrical steel legs epoxy powder coated or chromed. Floor protective black PVC glides.
