System of sofas with a distinctive executive identity. Armchairs, sofas in different sizes designed to offer as an executive seating range for high quality receptions, lounge areas and private offices. Its style is emphasized by the robust yet elegant loop leg frame. The balance between seat and back cushioning is assuring a comfortable and long lasting sitting..

The chromed details of the frame embellish the aesthetic of the range. The wide selection of finishing and colours, leather included, can have the product placed in any setting with sobriety.

Although its generous dimensions, the system can be used equally in any small or big area due to its compacted cubical construction shape.
