

# SS | 042

SS042 is a range of lounge chairs ideal for waiting areas and breakout. Different options of design but same construction process: steel structure filled with cold-molded polyurethane foams. All designs offer a superb levels of comfort. Designed in-house, the range incorporates contemporary touches that make every design suitable for today's hospitality and boutique hotel environment, and even the corporate arena. The generous dimensions make them suitable for relaxing areas, granting at the same time a comfortable seating feeling.

A masculine feeling of well-defined lines for a all-embraced lounge solution.

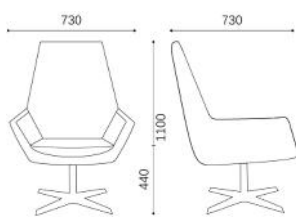

Designed to sit amiably alongside these and other furnishings, the chairs may be used as a stand-alone piece to make a bold design statement. The collection consists of a wide range of base frames that allow the chairs to a multi-functional
