

SS | 8CUBE

The 8CUBE collection is a range of crafted ottomans and benches offering flexible seating for any space. Whether disordered in multiple configurations or combined with other products, 8CUBE contributes to fill up areas increasing the number of usable informal seating. Cubical and round forms to be specified as complement to tables, lounge and breakout spaces for younger users as well.

The essence of the system is collection is represented by the idea of the spotty configuration. Simple, robust, proportional and beautifully crafted units that can be covered in an extensive choice of fabrics and leathers.

A movable version is also available by the use of weight-locked castors allowing units to move freely.

TECHNICAL FEATURES

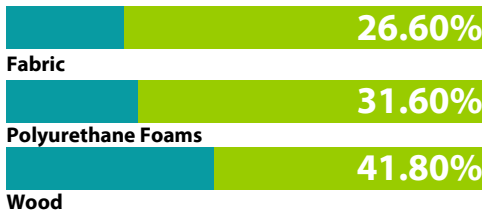

Type	Range of benches and ottomans.
Inner frame	Frame made of FSC-sourced hardwood and panel construction. The inner frame is also equipped with metal hook to house castors connectors when needed.
Cushioning	Inner frame wrapped by high density polyurethane foams with differentiated densities covered with acrylic fibre layers. Softer upper foaming layer for comfortable seating.
Lining	Polyester microfiber bonded onto a polyamide velveteen backing.
Standard Base	Standard base made of Black nylon glides.
Special Base	Weight-locking hard castors of Ø 50mm. Free movement while seated.
Upholstery	Fabric or leather upholstery, with or without sewn stitching on back cushion only, both removable by zippers or Velcro fastening.
